

# **Random Moment Time Study (RMTS)**

## **Mandatory Annual Training for Independent School Districts**

### **Federal Fiscal Year 2021**

(October 2020 to September 2021)

### **RMTS Training Compliance**

**Annual training is mandatory for at least two district employees** designated by the entity as a RMTS Contact. The RMTS Contacts are responsible for ensuring the entity complies with all RMTS requirements. **If your district is contracted with a Co-op, SSA or third-party vendor, the district RMTS Contacts are still required to complete annual training.** Districts should not solely depend on a Co-op, SSA or third-party vendors to certify their participant list nor manage the time study sample due to it not only being a requirement, but also for issues that may arise needing immediate response and/or actions by their district.

It is crucial ISDs understand that compliance with the RMTS annual training requirement is mandatory. Failure to comply with this requirement will impact the ISD's ability to draw federal funding for MAC and/or SHARS services provided.

RMTS Contacts who have not received their annual FFY 2021 training will need to register for training as soon as possible. Remember, only 2 district employees are required to take annual training per FFY. Below are the dates for the next available training and the link to register for the training.
